INSIGNIA SERIES

THOUGHTFULLY DESIGNED. DISTINCTIVELY CRAFTED.

- Striking visual appeal is topped only by the smooth motion and tactile connection felt by the user.
- Each of the selectorized pieces feature subtle design elements that create a memorable experience and appeal to exercisers of all fitness levels.
- Customization allows your Insignia strength equipment to match the look and feel of your facility.

INDEPENDENT MOTION

Smooth, independent arms create equilateral muscle development and accommodate exercisers with physical limitations.

ARTICULATING SEATS

Patented, spring-assisted articulating seats adjust at an angle to ensure optimum positioning and effectiveness for exercisers.

INTUITIVE ADJUSTMENTS

Bright yellow adjustments have large diameters and feature rubber gripping surfaces to make them easier to see and use.

INTELLIGENT GRIPS

Insignia Series enhances the natural feeling motions with ergonomic grips* that provide a wider grip area to more evenly distribute force on the hands.

SIMPLE INSTRUCTION

Placards depict the muscles being trained while QR Codes/NFC connects users to a video detailing correct use utilizing the LF Connect App.

INTEGRATED STORAGE

Each tower has a beautifully integrated rubber storage area on the top of the trim to hold water bottles, phones, keys and more.

*L Trim only

LifeFitness
